

APPROACHING THE BIBLE WITH CONFIDENCE

The purpose of the sacred text of the Bible is to help us learn the NATURE of God. We must read this sacred text to SEE God as gracious and full of unconditional love as shown to us through Jesus Christ.

** What is the biggest hindrance stopping you from reading your Bible again?*

** How do you plan on implementing the practical steps shared this week to begin reading the Bible again?*

** Look up John 5:39-47 and write how you've seen this sentiment show up in your life.*

** Write a prayer to God on your desire to see the real image of God in Scriptures.*

NEXT STEPS:

- Choose a story in the Bible to read with all of your 5 senses and journal your experience. Write down all new revelations you receive about the nature of Jesus.
